

Mobile Check Deposits Here!

The Mobile Check Deposit feature allows users to make a check deposit via Timberline Bank's Mobile Banking app, by photographing the front and back of the check with your smart phone, tablet, or iPad and submitting that image for deposit to your account.

You will not need to enroll for Mobile Check Deposit if you are currently enrolled in Timberline Bank's Mobile Banking.

Important details:

- Make deposits to your checking, savings, or money market accounts
- If the image of a check you transmit through the Mobile Check Deposit Service is received and accepted before 4:00pm Mountain Time on a business day that we are open, we consider that day to be the day of your deposit.
- Deposit single items only
- Current limits on deposits are \$1,000 maximum per single check and \$3,000 maximum per day.
- After 30 days, you agree to destroy the check that you transmitted as an image.

Educational tips on using Mobile Check Deposit:

- Before logging into Timberline Bank's Mobile app, close all other apps running in the background on your smart phone.
- Sign/Endorse the back of your check, and label it "For deposit only."
- When prompted for the amount, carefully enter the check amount to ensure it matches the amount written on your check.
- Flatten folded or crumpled checks before taking your photos.
- Keep the check within the view finder on the camera screen when capturing your photos.
- Try not to get too much of the areas surrounding the check.
- Take the photos of your check in a well-lit area.
- Place the check on solid dark background before taking the photo of it.
- Keep your phone/iPad/tablet flat and steady above the check when taking your photos.
- Make sure that the entire check image is visible and in focus before submitting your deposit.
- Make sure the MICR line (numbers on the bottom of your check) is readable.
